

## Bruce P. Bowland Joins GATE 6 Solutions, Inc.

**GATE 6 Solutions, Inc., (GATE 6)** is pleased to announce that **Bruce P. Bowland** has joined the firm as an Executive Consultant to serve as the Director of the Government Contractor Services Division. This Division assists clients with the many challenges that are inherent with Federal Government contracting, covering a wide range of service areas including the following:

- |  |  |
|--|--|
| ❖ Cost and Pricing Analysis and Request for Proposal Preparation | ❖ DCAA Audit Requirements  |
| ❖ Accounting System Consulting, Implementation, and Training     | ❖ Earned Value Management  |
| ❖ FAR and other Government Regulations                           | ❖ Billings, Collections and Contract Closeout Processes            |
| ❖ CAS Compliance Requirements                                    | ❖ Change Management, Requests for Equitable Adjustment, and Claims |

**Mr. Bowland** brings to **GATE 6** his 29 years of experience in financial and business operations management, business and Government job cost accounting, contract management, benefits administration, and treasury management. **Mr. Bowland** is a well respected principal level finance and contracts professional with a proven record of accomplishment in effectively leading companies through aggressive growth phases. He has counseled companies in their restructuring of business operations, implementing new accounting/finance systems and integrating accounting with project management systems. **Mr. Bowland** is viewed as an expert in:

- |   |  |
|---|--|
| ❖ Marketing and contracting with the Federal Government             | ❖ Financial reporting to the Government and financial institutions |
| ❖ Proposal development  | ❖ Government audit process (DCAA, DCMA, GAO, CID, and IRS)         |
| ❖ Negotiating and managing contracts                                | ❖ Government compliant accounting systems                          |
| ❖ Compliance with Government procurement and accounting regulations | ❖ Government compliant Earned Value Management                     |

**Mr. Bowland** has been accepted in United States District Court as a technical expert and proffered testimony on the propriety of audits and admissibility of claimed costs and supporting audits of Federal Government contracts and subcontracts. **Mr. Bowland** earned a Bachelor of Science Degree in Geotechnical Engineering from the University of Rhode Island in Kingston, RI and Master's in Business Administration Degree from Bristol University in Knoxville, TN.

**GATE 6**, headquartered in Conyers, GA, is a 22 year old full service, project management and technical consulting company that emphasizes practical integration of engineering, economics and financial principals to cost effectively solve business problems. **GATE 6**'s mission is to provide the best and most applicable talent and technology to produce reliable information.
