

Meet our new Government Contractor Specialist.....

Gate 6 Solutions, Inc. is pleased to announce our most recent talent acquisition. Ralph R. Vaccaro, CPA will serve as our Principal Cost Accounting Specialist. With a progressive career in accounting, financial and executive management Ralph served as Controller, Vice President of Finance and Chief Financial Officer for small and mid-size government contractors. His 30+ years of industry experience includes engineering, environmental remediation, logistics, cost estimating/scheduling and project management with oversight in the areas of Accounting, Contracts and Human Resources.

In the government contracting industry identifying and implementing the proper controls, systems and regulations are paramount to a company's success. With the addition of Ralph we will expand our ability to offer expertise in government regulations and compliance. Some of areas where he can assist your company are:

- Accounting system design
- Federal Acquisition Regulations (FAR) compliance
- Development of competitive indirect rate structure, allocations and strategies
- DCAA audit review, response and resolution
- Policy and procedure preparation which are in conformity with the regulations
- Business plans and financial projections
- Analysis of financial systems to ensure proper application of policies, laws and regulations
- Proposal cost and pricing development
- Incurred Cost Submission guidance or preparation
